Somewhere in a lonely hotel room there's a guy
Starting to realize that eternal fate has turned its back
on him

It's 2 am....

It's 2 am (it's 2 am)
Fear is gone (fear is gone)
I'm sitting here waiting
The Gun still warm (the Gun still warm)
Maybe my connection
Is tired of taking chances

Yeah, there's a storm on the loose
Sirens in my head
Wrapped up in silence
All circuits are dead
Cannot decode
My whole life spins into a frenzy

Help, I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My beacon has moved
Under moon and star
Where am I to go now that I've gone too far (ooooo)

Help, I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My beacon has moved
Under moon and star
Where am I to go now that I've gone too far
You will come to know
When the bullet hits the bone
You will come to know
When the bullet hits the bone
I'm fallin' down a spiral
Destination unknown
Double crossed messenger
All alone
Can't get no connection

Can't get through where are you?

Well the night weighs heavy
On his guilty mind
This far from
The borderline
When the hitman comes
He knows damn well he has been cheated

And he says:
Help, I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My beacon has moved
Under moon and star
Where am I to go now that I've gone too far (ooooo)

Help, I'm steppin' into the Twilight Zone
Place is a madhouse
Feels like being cloned
My beacon has moved
Under moon and star
Where am I to go now that I've gone too far
You will come to know
When the bullet hits the bone
You will come to know
When the bullet hits the bone
You will come to know
When the bullet hits the bone
(Repeat until end)
