"Locked Up My Head"

I locked up my head,
It's not so hard to do.
I locked up my head,
and nothing feels new.

I sewed up my mind,
and I gave you the pin,
I sewed up my mind,
and now i can't feel my skin.

I sewed up my mind,
and i gave you the pin,
I sewed up my mind,
and it's doing me in.

I tied up my heart,
oh I did it again,
I tied up my heart,
and I can't feel no pain.

I tied up my heart,
i'ts so hard to un-do,
I tied up my heart,
and i gave it to you.
