Lost love in the desert
Lost love on the sea
You can put it behind you
But it's still beyond me

'Cause hearts break in the summer
Will they meet me in the spring
Broken hearts all around me
But I don't feel a thing

Lost love on the highway
Lost love on the phone
Lost love with a suitcase
Heading back home

Where hearts break in the summer
And they meet in the spring
Mines still wrapped inside me
But I don't feel a thing

You're my lost love, I can't see
That you're coming back for me
You're the travel I can't find
And it's only a matter of time

Should have taken it all so hard
Should have taken it all so hard

And my lost love
My lost love
My lost love
And my lost love
