let's go down, together
3 A.M tomorrow night
I'll take you over anything

let's go out, together
broad daylight in the street
I'll take you anywhere

your music fills my car
your voice breaks every time
I'm still wonderin'
if I know who you are
I hang on every line
let's go down, together
down by the old mainstream
I'll take you over anything

let's go back in time
nineteenfiftynine
I'll take you, Radio King

your music fills my car
your voice breaks every time
I'm still wonderin'
if I know who you are
I hang on every line
