Missy: Yo  
Nicole: (mmm) You know (mmm)  
I don't know what's up with this cat  
But I know  
I know he's gonna be mine

Missy:  
Yes I'm the supa dupa  
I'm the superstar  
I got a super flow  
That goes super far  
I need a super man  
That's got a super tan  
That can deactivate my body like the super friends, uh  
huh

Nicole (Missy):  
Was the finest guy in school (say what)  
He got the whole damn school locked  
And I thought he was cute (uh huh)  
Wanna see, I had to stop  
Boy how are you? (uh)  
And by the way, Nicole is my name  
So I slipped him my number showed him how us began  
(hey yo freaky freaky uh)

Chorus:  
Call me  
If you need someone to talk to  
Call me  
Even though I'm seventeen  
Call me  
When you need someone to talk to  
Call me  
Call me

Nicole (Missy):  
(Brrr mmm)  
He was only seventeen  
And I was checkin' him everyday  
And he's no beginner

He made me hot like filled with me  
I gotta find a way  
To keep all his attention to me  
So I slipped him a paper told him hit me off at three,  
hey  
(uh call me)

Chorus

Nicole:  
(Yes I know I really want him) Really want him  
(Yes I know I really need him) Really need him  
(Yes I know I gotta have him) Gotta have him  
(You can call me up in the evening) Call me up  
(Yes I know I really want him) Really want him  
(Yes I know I really need him) Really need him  
(Yes I know I gotta have him) Gotta have him  
(You can call me up in the evening) Ooh yeah

Chorus

Nicole (Missy):  
(Nicole) So what the sunshine  
What's yours is mine  
You won't succeed without tryin'  
Never blind  
See I'm the type of female to hold on  
Like deodorant I roll on  
And gets my flow on (uh huh)  
I'm livin' in reality  
Respect me  
My image is not a pocket book  
And I won't get took  
Girls get shook when they look  
My style is John Blaze (John Blaze)  
So I'ma make it hot and leave somebody in a daze  
My age is seventeen  
Call me  
My age is seventeen

Missy (Nicole):  
(If you need someone to talk to) ooh ooh  
(Call me) Say what
