Alternate between the two. I left my guitar at home so  
 here's an  
 Approximation of chord locations.

A E D A

Johnny was a school boy when he heard his first  
 Beatles song

A E G A

Love Me Do, I think it was and from there it didn't take  
 him long

Got himself a guitar, used to play every night

Now he's in a rock & roll outfit, and everything's all  
 right

A E

Don't you know?

Johnny told his Momma, Hey Momma I'm goin' away

I'm gonna hit the big time, gonna be a big star

someday

Momma came to the door with a tear drop in her eye

Johnny said, Don't cry Momma smile & wave goodbye

Don't you know, yeah, yeah

Don't you know that you are a shooting star

Don't you know, don't you know

Don't you know that you are a shooting star

And all the world will love you just as long

As long as you are

Johnny made a record, went straight up to number one

Suddenly everyone loved to hear him sing the song

Watching the world go by, surprisin' it goes so fast

Johnny looked around him and said, Well, I made the

big time at  
Last

Don't you know, don't you know  
Don't you know that you are a shooting star  
Don't you know, woah yeah  
Don't you know that you are a shooting star, yeah  
And all the world will love you just as long  
As long as you are, a shooting star

(guitar solo)

Don't you know that you are a shooting star  
Don't you know, ahhh  
Don't you know that you are a shooting star  
And all the world will love you just as long  
As long as you are

Johnny died one night, died in his bed  
Bottle of whiskey, sleepin' tablets by his head  
Johnny's life passed him by like a warm summer day  
If you listen to the wind, you can still hear him play

Woah...  
Don't you know that you are a shooting star  
Don't you know, don't you know  
Don't you know that you are a shooting star  
Don't you know  
Don't you know that you are a shooting star  
Don't you, don't you, don't you, don't you, don't you  
know  
Don't you know you are a shooting star  
(improvise)

Na, na, na, na.. (to end)
