(Johnson)  
williamton angel smiles  
carries them through the miles  
throw all his on girls  
fire that never burns  
williamton angel, don't come down  
carry his feet up off the ground  
ooh, williamton angel  
williamton angel appraised  
licking the tears from her eyes  
night is turning to day  
who needs sleep anyway  
williamton angel, don't come down

carry his feet up off the ground  
ooh, williamton angel  
ooh, williamton angel  
williamton angel is gone  
leaving behind a song  
deny it was a return  
things we got to be learned  
williamton angel, don't come down  
carry his feet up off the ground  
ooh, williamton angel  
williamton angel  
ooh, williamton angel  
williamton angel
