There's no moon tonight
There's no moon tonight

And we were dreaming under street lights
In the corner store
Kisses on the floor
I feel so high
Tonight
With you

It's nearly winter here
And the sea's so clear
And we were walking with our eyes closed
So close

The helicopters came out
I think that somebody drowned
I hope they're dreaming
Dreaming
Of their

Special one

And of the sun

Summertime
High on a hilltop
The breeze blows like a memory here
The summertime
High on a hilltop
The breeze blows like a memory here
Summertime

There's no moon tonight
There's no moon tonight

And we were dreaming under street lights
In the corner store
You kissed me on the floor
I feel so
High
On summertime
