Went out today to try and phone you
I guess you didn't recognize my call
The lady on your end said you got caller I.D.

But I'm feeling sorry
That you've been woken up so much
And I'm feeling guilty just talk to me, please talk to me

I hardly know you
Is it too late to even try
I want to know you
Another twenty cent goodbye

I found a pay phone and it's busted
(Another broken hearted fool)
But still I pick up the receiver
(My lips are touching someone's drool)

Please make this worth it
You're all I'm thinking of today
I know you're worth it, just talk to me, please talk to me

I hardly know you
Is it too late to even try
I want to know you
Another twenty cent goodbye

Goodbye
Another twenty cent goodbye
Another twenty cents

I hardly know you
(Hardly know you)
Is it too late to even try
I want to know you
(Want to know you)
Another twenty cent goodbye

I hardly know you
(Hardly know you)
Is it too late to even try
I want to know you

(Want to know you)
Another twenty cent goodbye
