"Bury Me"

I'm so tired wishing I was miles away from you
I'm so tired imagining the ways that I'd kill you
I can't stand another day in my life
I can't stand another day

So pay another ticket
Take another pill
And bury me
It's hard to say I love you
But it's hard to say goodbye
So bury me
Bury me

I'm so tired of hurting myself but I can't hurt you
I'm leaving a trail of misery protecting you
I can't stand another day in my life
I can't stand another day

So pay another ticket

Take another pill
And bury me
It's hard to say I love you
But it's hard to say goodbye
So bury me
Bury me
Bury me

I can't stand another day in my life
I can't stand another day

So pay another ticket
Take another pill
And bury me
I know I said I love you
So I guess this is goodbye
So bury me
Bury me
I know everything's my fault
So bury me
I know everything's my fault
So bury me

Bury me
Marry me
