You taught me how to play guitar  
You told me that I'd go far, just by tryin'  
Yeah, just by tryin'

When we were kids playin' Social D  
Spiritual man on LSD, we were fryin'  
Yeah, we were fryin'

Once in a while you'd fuck with me  
The ground on my bass and it shocked me

Chris Cayton, I called you Satan  
'Cuz when we were skatin'  
You would make the metal sign

You got kicked out of school for wearin' profanity  
'Too drunk to fuck' said the Dead Kennedys'  
On your button, your punk rock button

You were born in S.I.T  
Vegetarian man no BLT on your muffin  
No turkey stuffing

Once and a while I'd surf with you  
And our first band was called IMRU

Chris Cayton, I called you Satan  
Yeah, 'cuz when we were skatin'  
You would make the metal sign

You taught me how to play guitar  
You told me that I'd go far, just by tryin'  
Yeah, just by tryin'

When we were kids playin' Social D  
Spiritual man on LSD, we were fryin'  
Yeah, we were fryin'

Once in a while you'd fuck with me  
The ground on my bass and it shocked me  
Yeah, it shocked me

Chris Cayton, I called you Satan  
'Cuz when we were skatin'  
You would make the metal sign

Chris Cayton, I called you Satan  
'Cuz when we were skatin'  
You would make the metal sign
