"Don't Say Goodbye"

I know the way that I have picked apart at you
And i know the way that I've had less importance too.
Lets try to find a way that we can work it out.
Don't say what I cant bear to hear.

Don't say goodbye yeah yeah
Just one more try yeah yeah

I know the way my insecurities get great.
I'd hate to judge myself against my perfect fate.
So when I'm actin' strange dont give up on our hope.
Don't say what I cant bear to hear.
Don't say goodbye yeah yeah
Just one more try yeah yeah

Well after all I'm telling you.
Don't waste your time, I will be home soon.

Don't say goodbye yeah yeah
Just one more try yeah yeah

Don't say goodbye yeah yeah
Just one more try yeah yeah

After all I'm telling you. dont waste your time
I will be home
After all I'm telling you. dont waste your time
I will be home soon.
