I ask myself  
Where has passion gone?  
I've grown up  
And im too old  
I don't feel like I did  
I need to feel  
There's nothing else  
...nothing left  
But your taste in my mind  
Where have I gone?  
Where have I gone?

Chorus  
And you come along  
To sing this song  
Restore my faith like nothing's wrong  
You come along  
To sing this song  
Restore my faith like nothing's wrong  
But i'm singing this song.

I feel sick  
I need more than this  
Where have I gone?  
Where have I gone?  
What shuts me down?  
Tears me apart?  
I don't know  
What I am  
Wheres the man?  
The man with dreams  
One man alone  
I haven't changed a thing

Chorus  
And you come along  
To sing this song  
Restore my faith like nothing's wrong  
You come along  
To sing this song  
Restore my faith like nothing's wrong  
But i'm singing this song.

You come along to sing this song!  
Restore my faith like nothing's wrong  
You come along to sing this song!  
Restore my faith like nothing's wrong  
But I...singing this song....
