So you've decided to blame him again
For all your choices
Seem like the softer way out

You think it just might make life easier
Than swallowing it
You've made a fine career out of guilt

Maybe he just did the best he could with what he had
Maybe he just did the best he could

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

So you've decided to blame him again
For all your choices
Seem like the softer way out

You think it just might make life easier
Than swallowing it
You've made a fine career out of guilt

Maybe he just did the best he could with what he had
Maybe he just did the best he could

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?

Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?
Don't you know what comes around goes around?

Round and round and round and round and round

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

Forgiveness, forgiveness
Try and let it go, why don't you?
Forgiveness
Just might save yourself

So you've decided to blame him again
For all your choices
Seems like the softer way out

Forgiveness, forgiveness
Let it fucking go, why don't you?
Forgiveness
Starts with yourself
