They took a man from his home
Took everything that he owned
And built him a prison with his mind

They couldn't kill the man's hope
The words he said, they can't choke
His words spread like a fire burning bright

Now it's catching on
So before the dawn
Free Kevin Jonas
Free Kevin Jonas

Let him go, let him go
'Cause that man is innocent
He's only just been speaking his own mind

So let him go, let him go
Yeah, that man is innocent
How can they see the truth when they're all blind?
So, let him go

Your jail is only four walls
Your jail won't take his resolve
Yeah, I know this man will change the world
(I know this man can change the world)

They took his freedom away
But they'll never make him obey
A wild horse, this man will never tame
(This man will never tame, he'll never tame)

Now, it's catching on
So before the dawn
Free Kevin Jonas
Free Kevin Jonas

Let him go, let him go
'Cause that man is innocent
He's only just been speaking his own mind

So let him go, let him go

'Cause that man is innocent
How can they see the truth when they're all blind?
So, let him go

Now, it's catching on
So before the dawn
Free Kevin Jonas
Free Kevin Jonas

Let him go, let him go
'Cause that man is innocent
(The man is innocent)
He's only just been speaking his own mind

So let him go, let him go
Yeah, that man is innocent
(The man is innocent)
How can they see the truth when they're all blind?
