What happened to dignity
Did it go away again?
Just like a worn out trend?
Will I still defend emotions?
What happened to honesty?
I don't see it on the Top Ten
I only see it in what has been
Cuz I still defend devotion

Am I alone?

Don't wanna rest
I don't wanna breathe
When I wanna hear about life
Don't wanna hear a spokesman
I don't wanna test
I want to believe
The god damn singer wrote the song
Don't wanna hear a spokesman

Und das will ich nicht sehen
Was da läuft auf MTV
Alles ist so einstudiert
Ich werde nie ein Tänzer
Gibt es denn die Pubertät nicht mehr?
Schlechte Haut ist total verkehrt
Diese zeiten diese zeiten brauch ich nicht
Denn Probleme hab ich schon

Geht's mir nur so?

Don't wanna rest
I don't wanna breathe
When I wanna hear about life
Don't wanna hear a spokesman
I don't wanna test
I want to believe
The god damn singer wrote the song
Don't wanna hear a spokesman

Don't wanna rest

I don't wanna breathe
When I wanna hear about life
Don't wanna hear a spokesman
I don't wanna test
I want to believe
The god damn singer wrote the song
Don't wanna hear a spokesman

Don't wanna rest
And don't wanna breathe
When I wanna hear about life
Don't wanna hear a spokesman
I don't wanna test
I want to believe
The god damn singer wrote the song
Don't wanna hear a spokesman

I Don't wanna rest
And don't wanna breathe
When I wanna hear about life
Don't wanna hear a spokesman
