I run away 'cause I'm scared that you might leave
There's nothing wrong but that's not what I believe
And tell me it's alright and tell me I'm okay
And tell me that you're staying here
Staying here tonight

I feel stupid saying words you've heard before
The way I feel today is all I know for sure
And if I scare you, I'm only scaring me
I've got so much to say why won't you speak with me
I need to know

What you're feeling, do you feel like I do?
Let's talk about everything, I want to share my life with
you
And tell me that you feel the way I feel with you
And tell me that you love me just like I love you

I feel stupid saying words you've heard before
The way I feel today is all I know for sure
And if I scare you, I'm only scaring me
I've got so much to say why won't you speak with me
I need to know

You're in my life well I want to be sure
I'm not wasting time, I've been through this before
'Cause I need to know

And tell me that you feel the way I feel tonight
And tell me that you know this feel is right

I feel stupid saying words you've heard before
The way I feel today is all I know for sure
And if I scare you, I'm only scaring me
I've got so much to say why won't you speak with me
I need to know
