If I'm not right with you  
Then I'm not right with anyone oh  
I have to see this through  
'Cause I know you're the only one  
The only one

Yesterday I had the chance to make it all work out  
But I shot myself so many times in the foot I had to  
shout  
Hello, hello, hello again don't you remember me?  
I'm the guy from way back when, stalking devotee  
So take my hand and burn it

If I'm not right with you  
Then I'm not right with anyone oh  
I have to see this through  
'Cause I know you're the only one  
The only one

Yesterday I had the chance to make it all okay  
The flowers and the ring I bought couldn't take my  
words away

Hello, hello, hello again could you forgive my life  
'Cause everything I said was wrong, so please remove  
the knife  
Then take my hand and burn it

If I'm not right with you  
Then I'm not right with anyone oh  
I have to see this through  
'Cause I know you're the only one  
The only one

I know it's hard to be true  
I know it's hard to be true

If I'm not right with you  
Then I'm not right with anyone oh  
I have to see this through  
'Cause I know you're the only one  
The only one

[x2]

I know it's hard to be true  
I know it's hard to be true
