If only I was taller
If I had a million dollars
Maybe then you'd be with me

If only I was eighteen
And had the courage of the A-team
Maybe then you'd be with me

But for now I'll have to dream
About your smile 'cause you're
Not here and all I want to say is
That I really miss you

If I could surf a little better
If I had Sumner's sweater
Maybe then you'd be with me

If only I had more time
If I had Mike Ness' hairline
Then you wanna be with me

But for now I'll have to dream
About your smile 'cause you're
Not here and all I want to say
Is that I really miss you

If only you weren't so fine
If only I wasn't so blind
I'd find a way to make you stay
Then maybe I'd see you

If I woke up with all these things
Would it even change your feelings
None of that is even me

But for now I'll have to wait
Another week to see your face
And all I want to say is
That I really miss you
