Now once again, they never seem to listen much at all
Once again, they always seem to make you feel so
small.
Margaret ann

I know you sometimes worry. I know you want
everything right
I know you want to make everyone happy.
You never want to see another fight.
'cause i know you well margaret ann.

Once again, they never seem to listen much at all
Once again, they always seem to make you feel so
small
Margaret ann

I know it seems that their out to get you.
I know that it seems that they attack you blind.
But I hear, you're stronger than that.
I'm here to tell you that your doing fine.
'cause in know you well margaret ann.

Once again, they never seem to listen much at all
Once again, they always seem to make you feel so
small
Margaret ann

'cause i know you well margaret ann

Once again, they never seem to listen much at all
Once again, they always seem to make you feel so
small
Now margaret ann, they never seem to listen much at
all.
Once again, everybody sometimes has to fall.
