Yea, this is from me who think  
You can just rest somewhere  
You got nothin' man, nothin'

Yea, and if you could see me  
The way that I am  
Every time that I see you  
I act like a different man

I can see from my minds eye  
I make up scenarios in my head  
I remember the things I did  
I know I fucked up and I wish I was dead

What is it that scares me?  
What do I care what you think?  
'Cause you only hurt me  
And with your words I shrink

I can see from my minds eye  
I make up scenarios in my head  
I remember the things I did  
I know I fucked up and I wish I was dead

If I could own you  
You'd do what I'd say  
You'd listen to me  
You would  
You'd do what I'd say  
You'd fuckin' listen

And then when you call me  
You act like nothin's wrong  
Like I'm in a desert  
What makes you so strong?

I can see from my minds eye  
I make up scenarios in my head  
I remember the things I did  
I know I fucked up and I wish I was dead

I can see from my minds eye

I make up scenarios in my head  
I remember the things I did  
I know I fucked up and I wish I was dead
