"More Today Than Yesterday"

I don't remember what day it was
I didn't notice what time it was
All I know is that I fell in love with you
And if all my dreams come true, I'll be spending time
with you

Everyday's a new day, in love with you
With each day comes a new way, of loving you
Everytime I kiss your lips my mind starts to wonder
And if all my dreams come true, I'll be spending time
with you

I loved you more today than yesterday
But not as much as tomorrow
Ohhh, I loved you more today than yesterday
But darlin' not as much as tomorrow

Tomorrow makes each spring time just a day away

Cupid we don't need you now be on your way
Thank the lord for love like hours that grows ever
stronger
And if all my dreams come true I'll be spending time
with you

Ohhh I loved you more today than yesterday
But not as much as tomorrow
Ohhh, I loved you more today than yesterday
But darlin' not as much as tomorrow

Everyday's a new day
Everytime I love you
Everyday's a new way
Everytime I love ya
Everyday's a new day
Everytime I love ya
Everyway's a new way
Everytime I love ya
Everytime I love ya
Everytime I love ya
Everytime I love ya
