Is this the in place to be?  
What am I doing here?  
Watching the girls go by  
Spending money on...

Sleep all day  
It's the only way  
I'm a parasite  
I creep about at night.

Night club, is this the in place to be?  
Night club, what am I doing here?  
Night club, watching the girls go by  
Spending money on...

Hey, hey, I don't work  
'cause I don't have to  
I don't have to work  
There's no, no work to do

Night club, I'm a member of the night club  
Night club, a fully paid up member of the night club

So I can't dance in a club like this  
All the girls are sluts  
And the beer tastes just like piss

I'm a parasite  
I creep about at night.  
I'm a member of the night club  
A fully paid up member of the night club

Night club, is this the in place to be?  
Night club, what am I doing here?  
Night club, watching the girls go by  
Spending money on beer
