Here I am alone again
It seems like you're never there
I told myself so many times
I'll make it on my own
So here I am and you're not
Here I am alone

All I want
Is a picture for me to look at
And all I need
For me to look at you when you're not there

I'm lost again and I found you
And I'm so glad you're here
I can't believe, I deserve you
I thought I'd let you know
That here I am and you're not
Here I am alone

All I want
Is a picture for me to look at
And all I need
For me to look at you when you're not there

All I want
Is a picture for me to look at
And all I need
For me to look at you when you're not there

All I want
Yeah, is a picture for me to look at
'Cause I've been waitin' all this time
Is to look at you when you're not there
