What happened to dignity  
Did it go away again?  
Just like a worn out trend?  
Will I still defend emotions?  
What happened to honesty?  
I don't see it on the Top Ten  
I only see it in what has been  
Cuz I still defend devotion

Am I alone?

Don't wanna rest  
I don't wanna breathe  
When I wanna hear about life  
Don't wanna hear a spokesman  
I don't wanna test  
I want to believe  
The god damn singer wrote the song  
Don't wanna hear a spokesman

What happened to integrity  
I don't see it on MTV  
All I see is choreography  
And I'll never be a dancer  
What happened to puberty?  
Bad skin and insecurity?  
And who the fuck is Felicity?  
Cuz I got problems of my own

Am I alone?

Don't wanna rest  
I don't wanna breathe

When I wanna hear about life  
Don't wanna hear a spokesman  
I don't wanna test  
I want to believe  
The god damn singer wrote the song  
Don't wanna hear a spokesman

Don't wanna rest

I don't wanna breathe  
When I wanna hear about life  
Don't wanna hear a spokesman  
I don't wanna test  
I want to believe  
The god damn singer wrote the song  
Don't wanna hear a spokesman

Don't wanna rest  
And don't wanna breathe  
When I wanna hear about life  
Don't wanna hear a spokesman  
I don't wanna test  
I want to believe  
The god damn singer wrote the song  
Don't wanna hear a spokesman

I Don't wanna rest  
And don't wanna breathe  
When I wanna hear about life  
Don't wanna hear a spokesman
