doing everything i can  
holding on to what i am  
pretending im a superman  
im trying to keep  
the ground on my feet  
it seems the world's  
falling down around me  
the nights are all long  
im singing this song  
to try and make the answers  
more than maybe  
and im so confused  
about what to do  
sometimes i want  
to throw it all away  
so here i am  
looking older all the time  
growing older all the time  
feeling younger  
in my mindim trying to sleep  
i lost count of the sheep

my mind is racing faster  
every minute  
what could i do more  
yeah im really not sure  
i know im running circles  
but i cant quit  
and im so confused  
about what to do  
sometimes i want  
to throw it all away  
controlling everything in sight  
im feeling weak  
i dont feel right  
youre telling me  
i have to change  
telling me to act my age  
but if all that i can do  
is just sit and watch time go  
then ill have to say goodbye  
lifes too short  
to watch it fly  
watch it fly  
so here i am  
growing older all the time  
looking older all the time

feeling younger

in my mind

so here i am

doing everything i can

holding on to what i am

pretending im a superman
