Living life and freedom
Wondering if my love
Could be as one
And if that you could
Possibly love me

Thinking life and living life
Are two very different things
The first one being harder
Than the last

Tonight's the last time
That I ever show you me
Tonight's the last time
That I ever show you me

Thinking all these days are gone
And dreaming of my time with you
Just makes me wish
That I was with you now

But then again we've got
Today to find the flame
That lit my heart and maybe
We will fall in love again

Yeah, tonight's the last time
That I ever show you me
Tonight's the last time
That I ever show you me

Driving the ninety
While I'm thinking of you
If I could turn back time
I'd look you in the eye
Then I might see your lies

Yeah driving the ninety
I'm thinking of you
If I could turn back time
I'd look you in the eye
Then I might see your lies

Tonight's the last time
That I ever show you me
Tonight's the last time
That I ever show you me

Yeah, tonight's the last time
The last time that I show you me
Tonight's the last time
That I ever show you me
