Theres people who get away with what youre trying to do  
But I see we might not have your luck  
Theres people who take away what I dont have to give  
And maybe thats still not quite enough  
So how can you say what we have done has been misguided?  
And how can you say that youre the judge?  
Dont you let me down this time  
I know you cant carry that weight  
Try and understand the reasons why  
Im trying to explain now  
Give me some reply

So maybe were walking in the dark  
So maybe were guessing  
Im taking all odds  
Im placing my bets  
Im taking my chances  
Dont you let me down this time  
I know you cant carry that weight

Try and understand the reasons why  
Im trying to explain now  
Give me some reply  
Like walking in the dark  
Between the lies  
Try and understand now  
Give me some reply

So try and understand the reasons why  
Im trying to explain now  
Give me some reply  
So maybe were walkin  
So maybe were guessing  
Between the lies  
Im taking all odds  
So try understand  
Im placing my bets  
Give me some reply  
Give me some reply
