Im wasted again  
Passed out dont know who I am  
Im so wasted again  
Black out dont know where Ive been  
Or who I am  
I thought I could make it on my own  
I thought I was indestructible  
I had an excuse cause i was young  
I thought I was so untouchable  
I would throw it all away  
I would throw my life away  
Im wasted again  
Passed out dont know who I am  
Im so wasted again  
Black out dont know where Ive been  
I couldnt admit that I was wrong  
I didnt fit in didnt belong  
I was young  
I was stupid  
A life of despair  
I was proud  
I was angry  
I just didnt care  
I was everything I never wanted to be  
I became my enemy  
I would throw it all away  
I would throw my life away

Im wasted again  
Passed out dont know who I am  
Im so wasted again  
Black out dont know where Ive been  
or who I am  
They Said I had potential  
They said I got whats coming to me  
They say I got the devil (the devil)  
and I dont know whats wrong with me  
whats wrong with me  
Im wasted again  
Passed out dont know who I am  
So wasted again  
Black out dont know where Ive been

Im wasted again  
Passed out dont know who I am  
So wasted again  
Black out dont know where Ive been  
Cause Im wasted again (so wasted)  
Im wasted again (so wasted)  
Im wasted again (so wasted)  
Im wasted again (so wasted)  
(so wasted)  
(so wasted)  
(so wasted)
