i couldnt sleep baby a wink last night for me and my
conscience are having a fight, i really treated you
bad....best thing that I've ever had... Best thing that I've
ever had.

Let me tell you now, I could'nt eat honey a thing today...
im so sorry but what can I say... I really treated you bad
best thing that I've ever had...Best thing that I've ever
had...I should've known from the start I should've
treated you right but now I hurt the only girl I ever loved
but baby give me a break and tell me tell me theres
something that I can do anything babe I don't want to
lose you I really traeted you bad bet thing that I've ever
had..... best thing that I've ever hadbest thing that
I've ever had..... (song fades)
