By this time,
You'r waiting for someone to change your mind
It's past on by,
O wait in you'r castle, you arre confined
Oh, yes you wanted to
Break down the walls and say goodbye

goodbye, goodbye
Shout it out loud: its your battlecry
(Shout it out loud: its your battlecry)

Take back tomorrow
Get your,
Head off your pillow
When your,
Next in you'r barrow
And we'll
Take Back Tomorrow

But it does'nt get, does'nt get,
Easier, Easier
It does'nt get, does'nt get,
Easier

Left you on,
the corner of darkness and deeper sky
As well, well hide
Everyone found themselves till you'r battery dies
And no one is going to
cool up the blood, and say goodbye

goodbye, goodbye
Shout it out loud: its your battlecry

Will take back tomorrow
Get your,
Head off your pillow
And that's something and we all know
If you
Take Back Tomorrow

But it does'nt get, does'nt get,

Easier, Easier
It doesn't get, doesn't get,
Easier
