Magic maker, wish me one wish
Hold me to your light and maybe
Oh what if I say , why don't we play
I'll wear your star

I shiver, you shake it
To me I can't help it
Don't know, am I dreaming
Or have you, you haven't
Stop for awhile, why don't we play
I'll wear your star

Oh, love make me
Oh, love tasted beautiful
Oh, love make me
Oh, love tasted critical

Turn me onto your star
Show me, one night, slowly
Aching, make me
Oh, what if I say, why don't we play
I'll wear your star.

I'm goin' right under
Your spell has taken over
I'm feelin', your passion
Oh there's no need for
The place where I'll wait
Why don't we play
I'll wear your star

Oh, love make me
Oh, love tasted beautiful
Oh, love make me
Oh, love tasted critical

Turn me onto your star
Show me, one night, slowly
Aching, make me
Oh, what if I say, why don't we play
I'll wear your star

Oh, love make me
Oh, love tasted beautiful
Oh, love make me
Oh, love tasted critical

Oh, love make me
Oh, love tasted beautiful
Oh, love make me
Oh, love tasted critical
