Magic maker, wish me one wish
Hold me to your light and maybe

Oh, what if I say
Why don't we play
I'll wear your star

I shiver, you shake it
To me I can't help it
Don't know, am I dreaming
Or have you, you haven't

Stop for awhile
Why don't we play
I'll wear your star

Oh, love, make me
Oh, love tasted beautiful
Oh, love, make me
Oh, love tasted critical

Turn me onto your star
Show me
One night, slowly
Aching, make me

Oh, what if I say
Why don't we play
I'll wear your star

I'm goin' right under
Your spell has taken over
I'm feelin' your passion
Oh, there's no need for
The place where I'll wait

Why don't we play
I'll wear your star

Oh, love, make me
Oh, love tasted beautiful
Oh, love, make me

Oh, love tasted critical

Turn me onto your star
Show me
One night, slowly
Aching, make me

Oh, what if I say
Why don't we play
I'll wear your star

Oh, love, make me
Oh, love tasted beautiful
Oh, love, make me
Oh, love tasted critical
