here we come,
driving down,
deep and wide,
settle down on the beach,
get the sun,
coming down,
wet and warm,
i wanna waste it playing,
spend all out day in a dream,
crystalline green watch it rolling,
feeling the weight,
of the sun,
blue and green,
breathing in,
come alive,
here we come,
with the stars,
letting it slip,
through my fingers,
little rings,
float in your eyes,

try to forget who you are now,

stare in to space,

watch the sky.
