(Unreleased Felt Mountain b-side)

A fondue knight  
On a winters day  
I do in snow  
In summer rain  
Don't let it go  
Don't blow away  
This could so sweet  
On a different day  
Those umbrellas in the sea  
And they tremble like a distant star  
They are for plays  
Waiting for you  
Feel so small  
Underneath this sky  
This dirty pornstar  
Isn't big enough  
Don't let it go  
Don't blow away  
This could be so sweet  
On a different day  
Those umbrellas in the sea  
And they tremble like a distant star  
They are folding  
Just for you
