They fall, from your mouth  
Propelled by your belly and your tongue  
I shiver when you shake, and I fold into jelly  
I think I loved you more than me

Are you human, or a dud  
Are you human  
Or d'you make it up

My baby cherry slipped  
Pass me through your fingertips  
Throw me down like an old rag  
I'm not standing, don't look back

Are you human, or a dog  
Are you human  
Or d'you make it up  
Are you human, or a dog  
Are you human  
Or d'you make it up

They went searching for your body  
They went looking but there's nobody  
Who smells like you  
Who looks like you  
You're not human....too

Are you human, or a dud  
Are you human  
Or d'you make it up  
Are you human, or a dog  
Are you human  
Or d'you make it up

(Are you human)
