Walk out into velvet  
Nothing more to say  
You're my favourite moment  
You're my Saturday

Cos you're my Number 1  
I'm like a dog to get you  
I want it up and on  
I'm like a dog to get you

Sunset only seconds  
Just ripe then it's gone  
Got no new intentions  
Just right then it's gone

Cos you're my Number 1  
I'm like a dog to get you  
I want it up and on  
I'm like a dog to get you

I'll be there to meet you  
Getting down to greet you  
Howl under the moon
