Dial up my number now
Weaving it through the wire

Switch me on
Turn me up
Don't want it Baudelaire
Just glitter lust
Switch me on
Turn me up
I want to touch you
You're just made for love

I need la la la la la la
I need ooh la la la la
I need la la la la la la
I need ooh la la la la

Coils up and round me
Teasing your poetry
Switch me on
Turn me up
Oh child of Venus
You're just made for love

I need la la la la la la
I need ooh la la la la
I need la la la la la la
I need ooh la la la la.

(repeat)

You won't walk for days
I wanna waste some time
You wanna be so mean
You love to watch
I wanna love some more
It'll never be the same
A broken heel like a heart
I'll never walk again

no!

I need la la la la la la
I need ooh la la la la
I need la la la la la la
I need ooh la la la la
