How long now  
How long now

I love you  
Steel painted eyes  
Feels like snow  
Change my head  
Days so long

You never know  
You never know  
You never know

You never know  
You never know  
You never know  
Just how long  
It will be

Here we go again  
We're going round and round  
Here we go again  
We're going round and round

Today I know  
It's too long dare we'll see  
Feels like snow  
Chained myself to me

You never know  
You never know  
You never know

You never know  
You never know  
You never know  
Just how long  
It will be

Here we go again  
We're going round and round  
Here we go again

We're going round and round

How long now  
Longest story  
Long now

How long now  
Longest story  
Long now

Longest story  
Longest story

How long now  
Longest story  
Long now  
Longest story  
Long now
