Hey Joe someone's stole your pearly-girlie walked up
with your jolly-dolly
Maybe now you'll take a dance with me
I feel mighty lovey-dovey let me be your noofy-toody
I'll be just as sweet as sweet can be
Now Joe I know just how you feel since your fickle baby
left you for a heal
But if I could be your sweetie pie I'll promise you no
other guy
Could steal me from you
Hey Joe (hey Joe) go put on your dancin' shoes and I'll
help you forget the blues
I simply got to have you for my own
[guitar]
Hey Joe please don't think I'm noddy-noddy don't think
I'm a flirty-dirty
Cause I let you know I go for you
Hey Joe my poor heart is yearning-burning just to hold
you tightly-nightly

Do I need yes I guess I do
I love you Joe that's how I feel if I had a chance I'd
prove my love is real
I'll be true to your forever and I swear no one could
ever hope to steel me from you
Hey Joe (hey Joe) if you want me tell me so my heart is
cracked and set to go
I want you Joe I need you for my own
Hey Joe hey Joe (hey Joe)
