I love you because you understand dear
Every single thing I try to do
You're always there to lend a halping hand dear
Most of all I love you cause you're you
No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me
But most of all I love you cause you're you
[ piano ]
I love you because my heart is lighter
Every time I'm walking by your side
I love you because the future's brighter

The door to heaven dear is opened wide No matter what may be the style or season I know your heart will always be true I love you for a hundred thousand reasons But most of all I love you cause you're you
