Each time I hold somebody new my arms grow cold  
aching for you  
No one can take your place darling in my embrace I'll  
never be free  
And when my lips burn with desire no other's kiss can  
put up the fire  
Though I may try and try no one can satisfy this longing  
in me

I'll never be free from your smile so tender the sweet  
surrender in your eyes  
How can I be free when I still remember how you could  
thrill me with a sigh  
Just like a chain bound to my heart your love remains  
when we're apart  
Each kiss I gave to you made me a slave to you I'll  
never be free

I'll never be free from your smile...
