"Strobe Lights"

[Adam]

You got the glo-sticks you got the white gloves
Luminous faces and the Summer of Love
It feels so right, it can't be wrong
I can feel another rush comin' on

[Eggs]

Sonic mindfields blowin' my brain
I just came down to go straight back up again
My mind burns and it's gettin' faster
This is part of the time I'm the masterblaster

[CHORUS]

Strobe lights and a laser beam
More drugs than you've ever seen
Strobe lights and a laser beam
Builders whizz and ketamine

[Adam]

Friday nights and I'm thrill-time seekin'
It's Saturday and I can't stop peakin'
Through the solar system and out of the Galaxy
It's a bit like Milton Keynes in 1993

[Eggs]

Everyone knows it and it's in your eyes
You try to hide it but you can't disguise
Cider in the park, looking up at the stars
Climbing up Twmbarlwm havin' sex in cars

[CHORUS]

[Billy]

Supersize, we're the 'now' generation
On a joyride with no destination
Polaroid snapshot, feel the elevation
Stop motion, suspended animation

[CHORUS]

[Adam]

I can f-f-feel anoth-another r-r-rush
I can f-f-feel anoth-another r-r-rush
I can f-f-feel another rush comin' on
I can f-f-feel anoth-another r-r-rush
I can f-f-feel anoth-another r-r-rush
I can f-f-feel another rush comin' on
