I was numb, I couldn't sleep  
Gently strung out on caffeine,  
Did I fall in love?  
Was I delirious?

I was dumb, found you  
Mind mind was wonderin'  
I was wishin that I could be  
Kissin' your skin.

And now you're in my head.  
You're always in my head.  
And now you're in my head.

I can't stop thinkin' about you, all day long it's all I do.  
From the moment that I wake up, oh no,  
I can't stop thinkin' about you,  
And it makes me sad  
Cause I know you don't want me.  
And all these thoughts in my head,  
They tease me and they taunt me.

All the broken hearts in London town,  
Scattered on the streets  
And on the underground,  
All the voices burning in my brain  
They're making me insane.

And now you're in my head,  
Oh, you're always in my head.  
And now you're in my head.

I can't, I can't stop thinkin' about you,  
All day long it's all I do.  
From the moment that I wake up,  
Oh no, I can't stop thinkin' about you.

I can't stop thinkin' about you- oo,  
All day long it's all I do-oo,  
From the moment that I wake up,  
Oh no, I can't stop thinkin' about you.  
And it makes me sad,

Cause I know that you don't want me.  
All these thoughts in my head  
They come here to taunt me.

I can't stop thinkin' about you,  
All day long it's all I do.  
From the moment,  
From the moment that I wake up,  
Oh no, I can't stop thinkin' about you.

I can't stop thinkin' about you,  
All day long it's all I do.  
From the, from the moment that I wake up,  
Oh honey, oh no no no nah nah  
I can't stop thinkin'. Oh, no no no  
No no na I can't stop.  
Ah, no no no I can't,  
I can't stop thinkin',  
I can't stop.  
I know you can't stop,  
Won't stop,  
These feelings won't go away.  
Don't you know they won't go away.  
Oh no, they won't.  
I can't stop thinkin' about you,  
Ba ba baby
