"Forgiveness"

Kelly I can't believe it's come to this. You know I gave
You all I could. I'm trying to tie up between train trips
And all that I can think of is when you would come to
my
Room carrying news.

Unglued and tied to the tune, you read me your blues.
And
Soon the fools that were two were one in a big bloom.
So
Won't you tell me the truth? How did I lose you?

Kelly I can't control the weather but I can sure try to
Change your mind. Cause even when we were
together, I

Never even stepped outside when you would come to
my room
Carrying news of true beautiful views and winter sky
Blues.

I didn't know what I was willing to lose when I had to
Choose. It just proves I was a fool to ever leave you.

Now I just can't miss your forgiveness.

Kelly I can't go on pretending. I'm prepared to do what
It takes and once this train reaches it's ending, well
I'll stop by to say that you were such a solution and I'm
A mistake.
