I'm still loving you. You do not forget me.
I do not forget you.

I have understood what should be told now.
If I can say to you at the time
I see your eyes and I'm opposite
If I can say to you...

I was obstinacy.
I was selfish.
"... Sorry"
I have understood your gentleness

I'm still lovin' you.
You do not forget me. I do not forget you.
I'm still lovin' you.
The day passes. With my feeling.

I have understood what should be told now.
If I can say to you at the time
I see your eyes and I'm opposite
If I can say to you...

I was obstinacy and crying alone.
"... Sorry"
I have understood your painful of you.

I'm still lovin' you.
I defend valuable you.
The day passes.
I'm still lovin' you.
I defened valuable you.
With my feeling!

I'm still lovin' you.
You do not forget me. I do not forget you.
I'm still lovin' you.
The day passes. With my feeling.

I'm still loving you.
You do not forget me.
I do not forget you.

I'm still loving you.
The day passes. With my feeling.

I'm still lovin' you.
I defened valuable you.
The day passes.
I'm still lovin' you.
I defend valuable you.

With my feeling!
