"And Right Then Is When My Philosophy Became Straight"

Visit "[And Right Then Is When My Philosophy Became Straight](#)" on MotoLyrics.com

Music industry infected
Rebel wannabes polluted my
My spirit! my spirit!
I can't stand that constitution
Burn it down and stop pollution!

Patronizing teenage fools
It's easy to respect the rules not I
My spirit! my spirit!
I won't stand in puppet row
Fuck you can brake my face you can't brake my
My spirit! my spirit!

Music industry a new breed of hypocrisy
Fake smiles selling enemy
Filling pockets with money
Music quasi friends
With vacuum cleaner in their hands
They sucked up our prosperity
And that's when my philosophy became straight
