Visit "[Coke Cain](#)" on MotoLyrics.com

I am waiting for my prince

My hero-in my dreams

I do believe that white horse saves me

I believe in my coke cain

Empty as my brain empty as my brain

Do you have a name?

Or some food for my brain

That would be a coke cain

Perfect day

Burning flames shining sun

Perfect day perfect day

Is there something in my brain?

Is there something in our brains?

My hero my hero my hero

No heroes! no more made up stars!
