Hello

Come in and get yourself something to drink  
And tell me something I don't know about you  
I'll tell you something 'bout me

Does it feel right  
Like penetrating insight  
Or blinded by the cuckoo with the hiccups  
It's tricky to decide

I think I'm coming round, I'm seeing through the smoke  
I think I'm coming round, I'm feeling signs of hope  
Some water, some whiskey, some cigarettes or dope  
I think I'm coming round, can you help me up to cope?

(Ooh, yeah yeah)  
(Ooh, yeah yeah)  
(Ooh, yeah yeah)  
(Ooh, yeah yeah)

We're trapped in  
Undergoing modernist sins  
The probe cannot be driven through the kneecap  
The kneecap will prevail here

So keep trying, prevent yourself from crying  
You're shaking hyperventilated mish-mash  
Made entirely out of bones

I think I'm coming round, I'm seeing through the smoke  
I think I'm coming round, I'm feeling signs of hope  
Some water, some whiskey, some cigarettes or dope  
I think I'm coming round, can you help me up to cope?

I've been thinking one thing but doing something else  
in a daze, yeah  
I'm trying to keep from getting uptight  
I'm trying to keep from getting uptight

I've been thinking one thing but doing something else

in a daze, yeah  
I'm trying to keep from getting uptight  
I'm trying to keep from getting uptight

The peace pipe  
Is flying round the bat's head  
The hippies will be camping out tonight (Kum bye ah,  
my lord)  
Singing Hari Kari (Adikhari)

And right now it's cooking up a storm now  
It's intravenous terror en masse  
Your spaceship has arrived (please get in)

I've been thinking one thing but doing something else  
in a daze, yeah  
I'm trying to keep from getting uptight  
I'm trying to keep from getting uptight

I've been thinking one thing but doing something else  
in a daze, yeah  
I'm trying to keep from getting uptight  
I'm trying to keep from getting uptight

I've been thinking one thing but doing something else  
in a daze, yeah  
I'm trying to keep from getting uptight  
I'm trying to keep from getting uptight
