Is there any sign? flat line flat line

Emergency time flat line

Yes there's a sign flat line flat line

Running out of time flat line flat line

Where's the pediatrics? help!

Needle stuck in heart

I need bigger dose

I'm numb please somebody

Stand near me cause my heart

Is burning burning burning

Where's the pediatrics? help! help!

I'm sick of media tricks

And full of shit Jesus, Allah freaks

Tearing our world down
